2. "Hither, page, and stand by me, if thou know'st it, telling
Yonder peasant, who is he? Where, and what his dwelling?"
"Sire, he lives a good league hence, underneath the mountain;
Right against the forest fence, by Saint Agnes Fountain."
3. "Bring me flesh and bring me wine, bring me pine logs hither;
Thou and I will see him dine when we bear them thither."
Page and monarch forth they went, forth they went together,
Thro' the rude wind's wild lament and the bitter weather.
4. "Sire, the night is darker now, and the wind blows stronger.
Falls my heart, I know not how, I can go no longer."
"Mark my footsteps, my good page, tread, thou in them boldly;
Thou shalt find the winter's rage freeze thy blood less coldly."

Christmas Song Lyrics

WINTER WONDERLAND

Sleigh bells ring, are you listening,
In the lane, snow is glistening
A beautiful sight,
We're happy tonight.
Walking in a winter wonderland.

Gone away is the bluebird,
Here to stay is a new bird
He sings a love song,
As we go along,
Walking in a winter wonderland.

In the meadow we can build a snowman,
Then pretend that he is Parson Brown

He'll say: Are you married?
We'll say: No man,
But you can do the job
When you're in town.

Later on, we'll conspire,
As we dream by the fire
To face unafraid,
The plans that we've made,
Walking in a winter wonderland.

In the meadow we can build a snowman,
And pretend that he's a circus clown
We'll have lots of fun with mister snow-
man,
Until the alligators knock him down.

When it snows, ain't it thrilling,
Though your nose gets a chilling
We'll frolic and play, the Eskimo way,
Walking in a winter wonderland.

DO YOU HEAR WHAT I HEAR?

Said the night wind to the little lamb,
"Do you see what I see?
Way up in the sky, little lamb,
Do you see what I see?
A star, a star, dancing in the night
With a tail as big as a kite,
With a tail as big as a kite."

Said the little lamb to the shepherd boy,
"Do you hear what I hear?
Ringing through the sky, shepherd boy,
Do you hear what I hear?
A song, a song high above the trees
With a voice as big as the sea,
With a voice as big as the sea."

Said the shepherd boy to the mighty king,
"Do you know what I know?
In your palace warm, mighty king,
Do you know what I know?
A Child, a Child shivers in the cold~
Let us bring him silver and gold,
Let us bring him silver and gold."

Said the king to the people everywhere,
"Listen to what I say!
Pray for peace, people, everywhere,
Listen to what I say!
The Child, the Child sleeping in the night
He will bring us goodness and light,
He will bring us goodness and light."

WHITE CHRISTMAS

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten,
and children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

HERE COMES SANTA CLAUS

Here comes Santa Claus!
Here comes Santa Claus!
Right down Santa Claus Lane!
Vixen and Blitzen and all his reindeer
are pulling on the reins.
Bells are ringing, children singing;
All is merry and bright.
Hang your stockings and say your prayers,
'Cause Santa Claus comes tonight.

Here comes Santa Claus!
Here comes Santa Claus!
Right down Santa Claus Lane!
He's got a bag that is filled with toys
for the boys and girls again.
Hear those sleigh bells jingle jangle,
What a beautiful sight.
Jump in bed, cover up your head,
'Cause Santa Claus comes tonight.

Have a Safe and Happy Holiday Season

During the holidays, a delight to see is a beautifully decorated tree. Keeping the holiday safe is an important responsibility for every family. These simple steps can help guard against a holiday fire.

- Select the freshest-looking Tree available. Store it either out doors or in a cold place until you are ready to put it up. Make a fresh cut across the tree's base and immediately place in water.
- Keep the tree's water container full at all times, checking the water level daily.
- Be careful with electricity, all open flames and other heat sources during the holidays.
- Check all Christmas tree lights, other electric decorations and electrical appliances for worn electrical cords. Use only approved electrical decorations and extension cords and do not overload the wiring system.
- Place the Christmas tree well away from heat registers, space heaters, fire places and wood stoves.
- Place the Christmas tree well clear of doors --keep the emergency escape route clear of trees, packages and furniture.
- Unplug tree lights and other decorations when out of the room or sleeping.

***Follow these smart safety rules
and have a safe and happy Holiday Season.***

*Reid & Associates wish you and your family a
Christmas Season filled with love,
laughter, peace and joy*

HOLIDAY gifts & lifestyle

Keeping the magic of Santa alive

He had a broad face and a little round belly that shook when he laughed like a bowl full of jelly. He was chubby and plump, a right jolly old elf. And I laughed when I saw him in spite of myself. - "A Visit From St. Nicholas"

Christmas just wouldn't be the same without Santa Claus. Santa will forever be ingrained in the holiday season, serving as an endearing symbol of the season regardless of your religious affiliation.

Parents typically go to great lengths to ensure their children enjoy the holiday season. By keeping the magic of Santa alive, parents can add a special touch to the holiday season for their youngsters. Children may become more skeptical of Santa around the time they turn 10, but there are plenty of ways to encourage this spirit to live on year after year.

- Read an uplifting story. The holidays are ripe with stories that tug at the heartstrings. Parents can take their children to the library and rent a Christmas tale or take home a book of holiday stories, reading a different one before bed each night. Encourage children to write their own positive stories of what the holidays mean to them and read them aloud to family and friends. The book "101 Ways to Keep the Spirit of Santa Alive: For Kids" From 1 to 92" by John Hagerman is a great way to get everyone in the house enthusiastic about Santa.

- Keep the magic flowing. Children who believe in Santa for an extra year or two often come from families that keep the magic of Santa alive. In addition to the standard traditions of leaving cookies and milk out for the jolly old man, come up

with new ways to evoke the essence of Santa. Spray peppermint air freshener around the tree and other places Santa is sure to visit. Use a large boot to make a footprint in a plush rug. Find a way to trigger noise on the roof to give kids the impression that Mr. Claus himself has arrived. Extra measures to keep Santa alive can help everyone enjoy the holiday that much more.

- Take advantage of opportunities to spend time with Santa. Parents and children alike have many opportunities to spend time with Santa during the holiday season, including photo opportunities at the mall and personalized videos sent directly to youngsters' email accounts. Elf dolls and breakfast with Santa at a nearby restaurant are other opportunities to spread the magic. Make the most of these opportunities over the course of the holiday season.

- Spread some Christmas cheer. Santa's job is to bring presents to the world's children. Channel the notion that giving is better than receiving and spend time giving back to others as a family. Schedule a day when you can distribute gifts at a senior

center or arrange to bring gifts to a foster child. Bake cookies and deliver cellophane-wrapped dishes to all of your neighbors. These activities put the emphasis on giving.

Keeping the tradition of Santa Claus alive can help adults and children alike enjoy a more festive holiday season. GG13B669

Christmas Baking

Gingerbread House

3/4 cup butter
7/8 cup packed light brown sugar
1 teaspoon lemon zest
1 1/2 tablespoons lemon juice
1/2 cup molasses
2 eggs
3 cups all-purpose flour
2 teaspoons baking powder
1 tablespoon ground ginger
2 teaspoons ground allspice
6 egg whites
4 (16 ounce) packages confectioners' sugar, sifted

Directions

1. First cut out in thin cardboard: a side wall, 4 1/2 x 8 inches; an end wall, 4 1/2 x 5 inches; a triangular gable, 4 1/2 x 3 x 3 inches; and a roof rectangle, 4 1/2 x 9 inches. Tape the rectangular end wall piece to the triangular gable piece: match the long side of the triangle, 4 1/2 inches, to one of the 4 1/2 inch sides of the end wall.

2. In a large bowl, cream butter and sugar until light and fluffy. Stir in lemon zest, lemon juice, and molasses. Gradually beat in 2 eggs. Sift the flour, baking powder, and spices together; stir into creamed mixture. Wrap dough in parchment paper, and refrigerate for 1 hour.

3. Turn out dough onto a lightly floured surface. Divide into 6 portions, 2 slightly larger than the others. On a lightly floured surface, roll out the 4 smaller pieces to approximately the size of the side wall and the end wall with gable templates; cut out two of each. Roll out remaining dough, and cut into two rectangular roof pieces. Transfer gingerbread onto greased baking trays.

4. In a preheated 375 degree F (190 degrees C) oven, bake gingerbread for 10 minutes, or until crisp. When removing from the oven,

leave the gingerbread on the baking trays for a few minutes to set, then transfer to wire racks. Leave out overnight to harden.

5. In a large bowl, lightly whisk 2 egg whites. Gradually beat in approximately 5 cups confectioners' sugar. The icing should be smooth and stand in firm peaks. Spread or pipe a 9 inch line of icing onto a cake board, and press in one of the side walls so that it sticks firmly and stands upright. If necessary, spread or pipe a little extra icing along either side to help support it. Take an end wall and ice both the side edges. Spread or pipe a line of icing on the board at a right angle to the first wall, and press the end wall into position. Repeat this process with the other two walls until they are all in position. Leave the walls to harden together for at least two hours before putting on the roof. Spread or pipe a thick layer of icing on top of all the walls, and fix the roof pieces in position; the roof should overlap the walls to make the eaves. Pipe or spread a little icing along the crest of the roof to hold the two pieces firmly together. Leave overnight to set firmly.

6. When ready to decorate, make the remaining icing. In a large bowl, lightly whisk 4 egg whites, and mix in remaining confectioners' sugar as before. Use this to make snow on the roof, and to stick various candies for decoration. Finish with a fine dusting of sifted confectioners' sugar.
